Hi Tasya. Thanks for reaching out. I did get your voice message (my desk phone transfers to my cell) but I'm on a webinar. I will call you later today or tomorrow.

Hi Janette,

I left you a VM but am guessing you may be working remotely these days. I wanted to reach out and connect about the Container Properties site on the Duwamish. As David Blount communicated, myself and DOF are taking over project coordination. I look forward to working with you on this!

Tasya
